Unusual Enrollment History Appeal

Student's Name	Student's MSU Net ID	9 _____
		MSU ID (9 digit)

The Department of Education has selected your FAFSA Application for review of unusual enrollment history. Effective with the 2013-2014 school year, the U.S. Department of Education established new regulations to prevent fraud and abuse by identifying students with unusual enrollment histories. Some students with an unusual enrollment history have legitimate reasons for their enrollment at multiple institutions. However, such an enrollment history requires a review to determine whether there are valid reasons.

After a review of your transcripts, it appears that you failed to earn academic credit at one or more schools attended within the **past four years**. Please submit a written statement below explaining any circumstances that resulted in this situation. Please **reference** the **specific school** and the **time period** associated with these circumstances. You are free to attach any supporting documents to assist with your appeal.

IF **APPROVED**, student **will be eligible** for federal financial aid (if max limits not met). IF **DENIED**, student will **NOT** be eligible, and will need to pursue other options, such as private alternative Loans (www.sfa.msstate.edu/loans/).

Please provide a written statement below that explains why you failed to earn credit hours for the term(s) affected. Please attach any additional documents if necessary. If your written statement is provided on a separate sheet, it must include your name and student ID number and must be signed in handwriting and dated.
